I'm asking that this Judge Be remove from his ~~duties~~ duties Judge Michael burn along with With Laufele murffer and I'm giving Compensated with the amount of 5.5 million dollars as my relief and each officer has a Complaint file and i wish to have the Case Remove to the U.S District Court District of Minnesota, Federal Court

8 Judge Michael Burn

Fail to inform me with a Answer as the 6th Amendment grants me the right to know, and it grants the Judge the duty to inform me
I ask Judge Michael Burn

9 I ask Judge Michael burn to Make a ruling on all motions, the Judge denied all motions of my rights, I then ask the Judge to dismiss the case under State vs Spokane Judge denied to with out a answer, 18 USC section 242 Title 18 Deprive of Rights, also violated 14 Amendment and Fifth Amendment also the 9th Amendment Rights was all Violated

10 I Move on to argue Jurisdiction

as i did so i then ask the Judge proof that the court has Jurisdiction he stated yes he has Jurisdiction and so does the state prosecutor over the actions of the complaint or something like that, so i then ask the Judge do i have the right to see it that gives him facts that is so undisputed if so please inform me i like to see it, i ask him three times more to give me facts and proof i he remain silent, 6 Amendment / 242 Title 18 Lack of Jurisdiction 14 Amendment Obstruction of Justice,

(H) I then told the Judge I move for dismissal cause there no Sworn in complaint from a injured party and No injured party is present. The Judge denied to dismiss and took a recess Break, Which that's is Violating the Oath of office, obstruction of Justice 242 title 18 Deprive of Rights and let it show that the Judge is setting a stage to Punish ^{me and} comment to do fraudulent act and Conspiracy against Rights,

13 The State prosecutor Laufela murffer did not accept motions, Then the Judge put in a plea i then object because i didnt understand the nature or Cause of the charges being against me and before i can make a plea i need some question answer the Judge took a recess Break

13 Doing the recess Laufela murffer Chase after me as i was leaving out the door to get some air he begin to yell at me telling me to make a plea and not to leave or he will issue a warrant for my arrest,

14 I respond to him by stated Show me facts, He began to raise his voice at me causing panic in the Court room before i can open the door to get away from the crew. Four or more Sheriff's Rush me at the door. Harassment 609.749

15 I told the Sheriff's im just trying to get out the door they block my way and demanded identification i ask why was there a crime committed is someone hurt the Sheriff said give me your identification or you go to jail.

16 I stated why he said because i was disrupting the Court, i stated it wasnt me it was the State prosecutor yelling the Sheriff ask us to step out and talk outside the Court Room and tell him whats going on i refuse to tell him.

17 But the State prosecutor gave a statement that in fact i wasnt ~~not~~ willing to give up my Rights, During the time the Sheriff had my identification the Sheriff took a photo of my identification after the State prosecutor shared information to the Sheriff about my case, saying to the Sheriff what i wasnt willing to do, and what he wanted me to do.

18 (18) I felt i was being harassed and intimidated and him sharing my cause is against confidentiality, Laufela murffer violated my Rights of privacy and continually to harass me telling me to make a plea Now as i was out in the hallway with him and the four sheriffs as one was taking ^{pic} pictures of my id, / 5 degree Assault

19 (19) As walk back into the Court Room i told Laufela murffer that was harassment and intimidated me, Soon as the Judge came back from recess Laufela murffer stated to the Judge he would like to put something on Record.

20 (20) Laufela murffer said on record that i was make false accusations against him and it wasn't His plan that the officer came and that i felt Aaron Curry was being intimidated he stated for the record something like that im for sure,

21 (21) The Judge then call the sheriffs over to his bench a Sheriff i never seen in the hallway the Judge was covering the mic so i couldn't hear but as the Judge was whispering into the Sheriff's ^{ear} the Judge started pointing his fingers at me. and the sheriff turn and look at me and nod his head up and down with cold eye's stare, my heart drop fear became reality and reality became fear, / 5 degree Assault

 or me can put in a plea and i didnt
 give the Judge power of attorney over
 me. ^{obstruction of Justice /} Conspiracy against Rights / 242 title 18
